Where does your organization stand?

Our ESG 360° Assessment Tool

We use our ESG 360° Assessment tool to support clients in meeting their ESG commitments and driving strong commercial performance. The tool examines who you are, your ESG commitments, and how you deliver on these commitments by assessing all aspects of your brand, business integrity and corporate governance. Based on our assessments, we recommend ways in which your legal framework could be optimised to deliver positive impacts and sustainable returns whilst mitigating risks.

Our approach

The ESG 360° Assessment tool uses seven key questions to frame our advice:

- 1 | What is your purpose? Are social and environmental benefits included in your purpose?
- 2 | Describe in more detail your ESG impact and commitments (whether aspirational or current)?
- 3 | How are your business' brand/ purpose and ESG commitments perceived?
- 4 | Who are your key stakeholders? What are their requirements?
- 5 | Is your business structure "fit" for your purpose and ESG commitments?
- 6 | Are your purpose and ESG commitments embedded in your corporate transactions?
- 7 | How are your purpose and ESG commitments reflected in your financing arrangements?

Within these questions, there a number of sub-questions that dive into legal and commercial details.
