

Hogan Lovells wins Real Estate Legal Team of the Year at the EG Awards!

We are delighted to have won the inaugural Real Estate Legal Team of the Year category at the 2016 Estates Gazette Awards! A huge thank you to all our clients and contacts for making this happen.

We were recognised for our work across the full spectrum of real estate, including development, investment, planning, and disputes. A panel of leading real estate industry judges praised our work on headline-grabbing deals over the past year, from the BBC's sale and leaseback of Media Village to Argent/Related's £4bn redevelopment of Brent Cross South, as well as our commitment to real estate as a sector, including asset management work.

Jackie Newstead, Global Head of Real Estate said "I am delighted for the whole real estate team here at Hogan Lovells that all the hard work everyone puts in on a daily basis has been recognised in being awarded the first ever award for Real Estate Legal Team of the Year by Estates Gazette. It is a real honour to be chosen by the judges, who come from right across the real estate industry."

The award was presented at a full house of property's leading lights at the Grosvenor House Hotel on London's Park Lane. To view all the winners, please click here: <http://www.egawardsevent.co.uk/egawards2016/winners-2016>

This fantastic news followed hot on the heels of our promotion to the elite top band in Legal 500 UK for commercial property, where we are also top-ranked for development, hotels and leisure, and property litigation.
